**Pet Policy**

Residents of the Glasgow Housing Authority (GHA) have the right to own common household pets subject to the reasonable requirements of the GHA. Among those reasonable requirements are that the pet be licensed and inoculated and that the resident has received the prior written approval from the GHA to keep the pet. The Pet Policy limits the number and weight of the pet(s) and mandates a pet deposit. The policy also limits the behavior of the pet and defines the conditions for the removal of the pet from the premises of the GHA.

**Attachment ky026e01**  
**Implementation of Public Housing Resident Community Service Requirements**

The Glasgow Housing Authority knows that it is presently enjoined from enforcing a community service policy. Nonetheless, the policy as devised is presented below:

The Glasgow Housing Authority (GHA) will implement a community service program for non-exempt individuals in public housing using the following guidelines:

- The community service program will be administered by the GHA.
- Non-exempt individuals will be identified and briefed in December 2000 on their community service responsibilities.
- Leases will be amended to include the community service requirement as annual re-examinations are done.
- Fulfillment of the individual's community service responsibility will be verified at the time of the next annual re-examination. The present agreement with the TANF agency allows for the exchange of information about and the provision of assistance for non-exempt families.
- Agreements will be entered into to allow an individual cure any failure to fulfill the community service responsibility.
- "Community service" will include a broad range of volunteer and self-development activity.
- In all other respects, the GHA's community service policy will operate in accordance with 24 CFR 960.600. The community service program will begin on January 1, 2001.

**Progress Report**

**Goal 1 – To provide emergency housing**

An emergency housing committee has been formed. The committee includes members from the Housing Authority, Health Department, Social Service Office, ministerial association, County Court system and from the community at large.

The committee has surveyed the Social Service Office, Housing Authority, Salvation Army, Mayor's Office and County Court system. It was determined that there is a need for emergency housing in the community.

The committee has adopted a policy for an emergency housing facility to be constructed upon completion of fund raising. The facility will be called the T.E.A. House (Temporary Emergency Assistance). It will house one family up to ten days until more permanent housing can be obtained. The goal was to raise \$10,000. to construct the facility.

The funds were obtained and construction completed in the Spring of 2002. A community open house was held for the public to tour the facility.

To date, approximately ten families have used the TEA house for temporary emergency housing.

**Goal 2 – To ensure equal opportunity in housing.**

Policies were reviewed last year to ensure consistency with Equal Opportunity requirements and it was found that none of them represented an impediment to fair housing choice.

Staff training on equal opportunity proceeds on a continuing basis. Staff members have attended fair housing seminars through various HUD-sponsored conferences.

Once again, the Mayor and County Judge-Executive signed a proclamation declaring April 2002 as Fair Housing Month. The Executive Director arranged for a HUD Community Builder to be present during the proclamation signing. Both section 8 and the PHA had Board members present.

**Goal 3 – To promote self-sufficiency and the economic independence of residents.**

The GHA continues to refer residents to welfare-to-work, self sufficiency and educational programs already established.

We have educated residents about the earned income disregard to encourage more to become employed. We have counseled residents one-to-one as well as advertised the opportunity in our monthly newsletter.

Staff also assists residents with budgeting and financial counseling. We will conduct referrals to other assistance programs.

**Goal 4 – To maintain an economic and efficient operation.**

We have abated all emergency work orders within 24 hours for the fiscal year ended 12/31/01.

PHAS scores we have received to date include the following:

2001 MASS – 30

2001 FASS – 30

2001 PASS – 27

RASS – incomplete, resident survey in progress.

The GHA was designated a high performer with its 2000 scores.

The 2001 financial audit again showed no findings.

**Goal 5 – To improve community quality of life**

We continue to offer self-sufficiency to our senior residents through our “There’s No Place Like Home” program. We have hired an elderly service coordinator to assist families with living at home independently as long as possible.

We continue to monitor the need for additional child care facilities. As of July 1, 2002, the child care operation in one of our units and operated by Community Action

of Southern Kentucky closed. There were only two children enrolled and no waiting list. To date, the daycare center has not reopened.

To be able to better serve our residents, the GHA has begun construction on a new administration and maintenance facility.

We are also investigating the formation of a non-profit to assist with homeownership opportunities, renovation development and housing services.

**Goal 6 – Achieve an income mix in the GHA complexes.**

The GHA waiting list is perennially a short one. It does not provide the numbers of families and incomes to make headway in meeting this goal. Nonetheless, the GHA will take advantage of what opportunity exists to achieve an income mix and to remove concentrations of poverty.
